TITLE.:- CONGENIAL TASK.

Picture.:- What a job ! Beer tasting ! And they get paid for it too ! XXXXX

Why, I know many fellows who'd take it on at nothing a year, and chance some of it--

--being a bit "off !" Would you believe it ? One of the judges is actually a teetotaler ! XXXXXXXX No. I didn't either !

Mr. Walker is a good judge of cider ! XXXXX He's been tasting for fifty years ! What a life !

You can get a drink from an automatic machine now ! In goes the price, --

--you dial your requirements, and get your drink !
But supposing something went wrong, and you dialled B-E-E-R,
and got M-I-L-K !

Why, revolutions have started for less than that ! XXXXX
I really can't stand this any longer !

AND SO, FOR THE PRESENT, I LEAVE YOU !
