WORLD'S FASTEST TRAM - Bullet-like vehicle,
with amazing speed, put into service at
Philadelphia. -U.S.A.-

Picture. :- Speed, speed, and more speed ! Here is a
tram car which can, and does, travel at 100--

--miles per hour.

(NOISE EFFECTS FULL FOR 2nd and 3rd SHOTS).

The office express, which allows the extra few
minutes for breakfast, before competing in the early--

--morning sprint for the tram stop. Made like an
aeroplane and speeds--

--like one. These cars are painted red, so--

--passengers can't complain about not being warned.

(SOUND EFFECT OVER LAST SHOT).
