"LE DERNIER CRI" - "The last word" in women's
wear displayed by charming mannequins at South
London Exhibition, Crystal Palace.

-London-

Picture:- Excuse us a moment !! We're not - well quite -
All ready ? Good ! Still not quite complete ! Don't
mind me !

This is really a woman's job ! May I introduce
our fashion expert !

You may be dressed like that next June !

(Self) I don't think so !

You never know !

Trousers for tennis are being much worn this year !
An attractive ensemble !

A white skirt and jumper - for the sports girl !

Parma-violet - the piece de resistance of my lady's
wardrobe !

A cool and dainty floral creation for Ascot.

Shimmering white satin, with a scarlet scarf
is her colour scheme.

British lace, another exquisite gown for Ascot.

A two piece cocktail suit !

Very nice !

Oh ! What a lovely dog !
