

"CHOPSTICKLE" CHAMPIONSHIP - Famous people of
the stage and society invent a comic "indoor
sport".

-London-

Picture.:- He wouldn't be Leslie Henson if he didn't
think of things like this ! Picking up oysters with
chop sticks ! In this contest stabbing tactics are
barred !

A piercing scream is as much as Henson will
allow ! The competitor who first manages to eat--

--three oysters out of his wineglass gets the
Cup ! Probably of cocoa ! Miss Bannerman makes
a dainty mess of her--

--effort ! Renee Gad complains that Leslie splashes
too much for her taste.

The best chop stick juggler and oyster
swallower is--

--Lord Selby, to whom after a slight argument
with Mr. Henson, Miss Margaret Bannerman presents
the oyster--

--chop stickle championship Cup. I suppose it's
fair, but it's a slippery fishy affair !
