LIVERPOOL HORSE PARADE - 500 fine animals in  
biggest one-day show of its kind in the world.

-Lancashire-

---

Picture:- Mounted police head the grand parade, which--  
attracts thousands of people, in spite of the unfavourable  
weather conditions. .... This show--

--has been held for no less than seventy years - - once a  
year for seventy years, I mean! ....

Near the Wellington Column, the Lord Mayor offers his  
congratulations to prize-winners,--

--while the ladies among the onlookers study the latest--

--in spring millinery! .....This should be all the  
rage--

--in the summer - - and in the cinema, if you were--

--behind it! Shows like this must have put the "Gee"  
into American dictionaries!
