ATHLETIC YOUNG ITALY - Nearly 20,000
give great display of "collective
gymnastics" in the National Stadium,--Rome.--

Picture.:- An enthusiastic Italian cheer of this kind
is--

--usually for Signor Mussolini. Italy's Prime--

--Minister is this time attending an outstanding athletic
display. Ten thousand girls and 15 thousand young
men take part in these mass--

--exercises, while 100 thousand spectators look on.

The youth of Italy has taken to physical
culture in a patriotic spirit. A fit citizen--

--is a useful citizen. Such movements as these
are strongly back by Mussolini--

--who realizes that in Italy's youth lies Italy's--

--strength. Displays of this kind are frequent
in the Roman capital and smaller editions of--

--the same sort of thing are held in most towns
of any size. If the boys and girls keep on
exercising like this, farneras will be the
rule rather than the exception.
