

MEN OF THE PLOUGH - - Farmers from many countries show their skill in 20th annual International Ploughing match, at Ottawa, Ontario.

-Canada-

---

Picture:- Things are not always what they seem ! This placid--

--countryside, with its jogging ploughs, is the scene--

--of fierce rivalry. The International--

--Ploughing Match brings farmer-ploughmen from all over--

--the world to test their skill in demonstrating--

--with a plough, Euclid's simplest proposition - - that a straight--

--line is the shortest distance between two points.

Bad ploughing means losing money. It results in--

--a crop of weeds which choke the life out of--

--the valuable seedlings. The winner comes from North--

--Gower, Ontario. A big husky farmer,--

--who wins a tea-set ! - - A tea-set,!
