

POLE-SQUATTERS OUTDONE! - Notoriety-seeker  
goes one better by claiming that he has  
created a new idea in records.

Annapolis, U.S.A.

Picture:- As a rule, people are not anxious to be --  
-- buried any earlier than --  
-- is absolutely necessary, but this man --  
-- goes underground while alive just --  
-- to get talked about. After fifty-eight days of lying  
down --  
-- no one else wants to see him, so they dig --  
-- him up again. He was tired of it anyway, and he --  
-- needed a shave. He also lost twenty pounds --  
-- weight and his appetite. Oh yes, he had food but the  
dining-room was so stuffy! Food was like an insult, he just --  
-- couldn't take it lying down, but --  
-- by lying so long, he's created a new record! Marathon  
dancers, pole squatters --  
-- and other border-line --  
-- cases are green with envy. He's stolen their notoriety  
by lying down on the job!
