CATS MEET ! - A few of the prize-winning domestic beauties at the National Cat Club's Championship Show at the Crystal Palace.  
- Sydenham -

Picture: Psst -- Meow -- Psst -- CATS !

A common or garden-wall cat might notice that sort of noise but --

-- not these pussies ! They are --

-- aristocrats ! Not at all the sort which spits vulgarly --

-- at the neighbour's tabby. On the left, Josie, a tortie and white puss-cat.

This is Cupid of Runnymede, a gentleman who can --  
-- afford to wear a real chinchilla coat all the year round !

The show champion, Benjamin of Westfield, a blue persian, valued at <sup>about</sup> 1/25. a meow.

The superiority of well-bred cats is dreadful -  
I feel quite low !
