United, meet Birmingham, at Upton Park.
-London.E.-

Picture.

Two hours ago the gates were closed keeping out----
----over ten thousand people. All the same forty thousand
see the ----
--toss-up and kick off. Players----
---in this game are being watched for-----
----their fitness to play for England later on-----
---- there is sunshine and there is----
---also mid. McMahon puts an easy ball out of danger and start
it-----
----off up Birmingham way. The visitors are playing a good
game but ----
-----West Ham are doing the scoring.-----
----- The crowd ~~applauds~~ vigorously applauds Victor---
---- Watson, who is in wonderful form. The----
---Hammers attack is only fairly good, but just good enough--
----to puzzle Birmingham's defences. The game is not----
----fast - the going is too heavy. West Ham is coming-----
---- up for a score and does score. Two up-----
---for the Hammers in about two minutes----
-----and both goals scored more by luck than good judgment.----
----When Hibbs jumped to clear a corner kick he missed it-----

----- and actually bouncethe ball into his own goal. Victor
Watson-----

-----still doing good work puts West Ham another one up and
that makes four with-----

Birmingham nil. Listen to the cheers.

Finish with Kffest records.

So Cheerio everybody-- until the next time.
