FASTEST MAN ON EARTH - - Welcome home to Sir
Malcolm Campbell, after creating new world land-speed
record at Daytona Beach.

-Southampton-

Picture:- A fleet of speed-boats skims across Southampton
waters--

--to greet Sir Malcolm Campbell on his return--
--From this one, Lady Campbell and her son Donald yell--
--a, first welcome to the famous husband and father.

Southampton makes a day of this event. The--
--civic authorities turn out to go--
--aboard and help in the Royal reception. Lady Campbell
actually runs up the gangway to--
--meet her man - - a man who, for his courage and
determination--
--commands the admiration of the civilized world.

Scott Paine, the speed-boat champion is on the right.
The crowd gives--

--Sir Malcolm a tremendous welcome for a tremendous feat.

Two-hundred and-seventy-three miles an hour on land !
He wants to do--

three-hundred-and-thirty, but for just now, his great
ambition is a quiet evening at home.
