THE LIGHT BLUES - - Camera studies of the Cambridge men, who will endeavour to gain their tenth consecutive victory over Oxford in this year's Boat Race.

-Goring on Thames-

---

Picture:- After a lot of headaches for the Committee, the Light Blues' crew has been selected,--

--and agreed upon. W.A.T.Sambell - - J.E.Gilmour - - T.G.Askwith - - R.B.F.Wylie - - R.N.Wheeler - - C.J.S. Sergel - - L.Luxton - - C.M.Fletcher - - T.Frame-Thompson, and W.L.R.Carbonell, spare man.

J.E.Gilmour, Trinity Hall, takes No.2 position, and W.A.T.Sambell, Pembroke, is bow.

T.G.Askwith, is No.3. R.N.Wheeler, Clare, is Number 4, and very serious about it.

C.M.Fletcher, Third Trinity, No.7., and L.Luxton, Pembroke, is No.6. - - both not so serious.

Frame-Thompson, Third Trinity, is stroke, and C.J.Sergel, Claire, President, is at Number 5. The camera tickles--

--then all, including R.N.Wheeler, the cox.

A fine crew, who are shaping wonderfully well. So, if you girls want to make--

--your man a seasonable gift, why not 'wring' his neck with a light-blue tie!
