R.A.F. PAGEANT - The Royal Air Force
presents its great annual display in
aid of service charities.
- Hendon -

Some of us are able to stay in cars ;+-----

----- and see the show, but its a case of pity the poor camera man

----- they'll get soaked anyway. (Laugh) No, no, I didn't mean
that-----

----- Squadron. looping the loop in formation; The rain is
pelting down and one cant see too clearly, but the thrills
have drawn King Feisal here, the Prime Minister and many
thousands of the public-----

----- Outh of the mist comes the battle cruiser of the air
PAUSE--

----- These, like Mary's little lamb, leave their tails behind
them.. (Pause) -----

----- Well, I suppose one can get thrills under an umbrellas---

----- Dummies are being used for parachute dropping to-day
Its too dangerous to---

----- chance men's lives in this wet. Parachutes may not open

----- A Kite balloon is hit and goes up-- or rather, down,--
in flames (Pause) The buildings are the

----- bombers next objective. Here they come, swooping down wit
their destructive death dealing cargo (Pause)-----

----- machine ganner try to register a few lucky rounds but---

----- with the Archies --Anti-Aircraft guns-- they fail to
stop them.

Finish with effects.
