

KENNEL CLUB SHOW.

Pictures :- Tiring job this exhibition business !
The Barzels decides that it's not worth keeping awake
for.

He wouldn't, but he's rather suspicious of the
camera staring at him !

" St. Frances-of-Tor", and "Sister Anne", St.
Bernards, don't care - - a bit !

The Great Dane, "Lady Marian-of-Windale"
thinks it rather impertinent to take a lady's picture
without due notice. Don't kiss the powder off !

The blood-hound "Marquis-of-Testwood" looks
disconsolate as usual, and wonders if cameramen
are good to eat.

The winner of one-hundred prizes - - "Zaxaxon
Olaf". The Crystal Palace dog-show entries this
year, are a record.

If I had any criticism to make, I wouldn't
say it in front of "Tiger of Testwood". His
teeth would test anything. Now, now, nice doggie !
