FAMOUS LOCOMOTIVE IN U.S.A.

Picture:-

America rolls up and takes notice. The arrival of--
--the Royal Scot at Los Angeles brings out Hollywood's
stars--

--to see a star much bigger than any one of them.

After a rub-down at the Union Pacific--
--depot, - - or dee-pot, Jackie Cooper and other
celebrities, inspect the flying--

--monster of the British railroads, and with out--

--British star Diana Wynward, drape themselves round
the engine for the news camera.

The Royal Scot has been on show at the Chicago--
--Exhibition, and is now completing its American tour.

Note ! Over thousands of miles of railroad
the Scottish visitor has had a free pass !
