

FRENCH NAVY'S NEWEST RECRUIT.

Picture:-

At Brest the Dockyard staff prepares for--  
--the launch of the newest French cruiser "La Gallissonniere".  
This, the first of six such--  
--ships to be completed, is--  
--named after a French Lieutenant-Colonel who was the  
Governor--  
--of Canada - - before Britain took it over.  
Representatives --  
--of the French naval department attend, and chat--  
--together over, what I wonder ? Disarmament ?

NATURAL SOUND TO END.
