NEWS IN BRIEF.

(4). IN THE BOXING WORLD.

Picture.:- These two boxers MacCorkindale and Carnera--
--are both in the news this week. In this fight Primo
Carnera did that to poor Don. Now--

--King Levinsky has repeated the dose,--

--although McCorkindale's pluck won him many more admirers.

Carnera's news item is that he will fight Tommy
Loughran at New York for the world's heavyweight--

--title. Well, I shan't try and stop him.

(5). THE GREAT BLACKOUT.

Picture.:- This is what some American visitors saw of--

--London. They walked down the Strand, and there were no
bananas--

--in sight. A jump just saved one from seeing a--

--car from underneath. Another saw this kirb too late, and
then--

--saw stars before trying to follow this light to -- oh! --
anywhere. One thing America can't beat is a good 'acupy'
London fog.
