IN ROME TODAY.

Picture:-

Rome is honoured by a visit from King Prajadipok of Siam, Queen Rambai, Prince Dewawongs,--

--and the Siamese Court. Prince Umberto of Savoy salutes Their Majesties,--

--as does the Duce, Signor Mussolini. The Eastern--

--ruler lays a wreath to Italy's Unknown Soldier on the monument Vittoria Emanuel in the Plaza de Venezia.

The King of Siam is paying calls on European--  
--capitals before embarking for America to visit a specialist who has previously attended His Majesty for eye trouble.

Meanwhile Prime Ministers Mussolini, Italy, Dolfuss, Austria,--

--and Goemboers, Hungary have been gathered together seeing a cavalry display, but--

--chiefly discussing a political pact to improve the economic relations of the three countries.

Well, anything which improves relations between nations of--

--the earth just now will be welcomed.
