

(CONT).

- (4). --its trials, too, sporting as well as political. This trial is that of a--
- new type of racing car. Much was--
- expected of it, but not that.
- It's rather a --
- secret affair. Only a --
- few people witnessed the--
- trials - - oh, and the sentence ! Another small matter--
- 

- (5). --arrives in Paris for consideration. All neatly delivered in plain packing case. And strange as it seems, it's a motor car. The smallest ever. The answer to the congested streets problem - - if it performs as --
- per the salesman's promises - - and it does - - One of these--
- in Fifi's christmas stocking, and she will be coming up to see you all times. Traffic blocks seldom worry this car, but - - mind the ham in that sandwich you hulking brutes ! And is it convenient,--
- why it's even handy. You not only drive up to your door, but with the aid of a friend, you just pick it up and park it in the hall by the hair-stand. Of course you will have to find another place for the kid's pram.
