DUKE IN AUSTRALIA.

LAUNCHES SHIP IN BARROW-IN-FURNESS !

---

Picture.:-

Barrow-in-Furness ! The good ship 'ORION' is to be--  
--launched by the Duke of Gloucester who is now twelve--  
--thousand miles away, in Australia ! ..... His Royal  
Highness--

--is to press a switch in Brisbane; and by the modern  
miracle of radio--

--a trigger will be released here, and one-million--  
--pounds worth of Britain's merchantile--  
--might will go down the ways.

The big moment arrives ! Something like this  
happens,--

--and excitement grows to fever--

--pitch. .... She moves ! The Duke said, "I offer--

--her my congratulations on her birthday--

--and wish her many happy returns on--

--her voyages between England and Australia.
