GERMAN ICE SKATING

CHAMPIONS.

GRACEFUL EXHIBITION.

Picture.:

"A thing of beauty being a joy for ever", keep your--

--eye on this skating exhibition, and have joy. The skaters are Maxie Herber and Ernst Baier, German pair-skating champions. And in a case like this, phrases about fairy-like grace, poetry of motion, perfection -- of poise, beauty in excelsis, etc.etc. are not just -- cliches, or flap-doodle. At least, I don't think so, and I hope you won't. (PAUSE UNTIL SPEEDING AGAIN). They gather speed again for that wonderful glide, which seems to be absolutely effortless. Like a bird on the wing ! These gifted exponents are leaving St, Moritz for America almost at once to perform -- in Boston and Philadelphia. --
A wonderful show. Great stuff these skaters.
