"MANCHESTER CITY" IN

VIENNA.

AUSTRIA'S CRACK TEAM BEATEN.

Picture.:- Football fans of Vienna--

--to the number of thirty-thousand, gather--

--to see the Manchester City team meet--

--Vienna's Rapid Club, Austria's crack --

--players. The visiting team--

--is shaken hands with by President Miklas, head of the--

--Austrian Republic, and with him is Sir Walford Selby, British--

--Minister. The Austrian champions start by-

--attacking fiercely, but soon discover that--

--Manchester's defences are not brittle enough to break easily. Manchester equalises soon after the Rapids are one up. Tilson scoring (EFFECTS).

Brooks' brilliant play as outside left is greatly admired. Marshall and Toseland also coming in for a good deal of praise. Manchester's head work rather astonishes--

--the Viennese players,--

--and the crowd. A form of which which has been little developed on the--

--Continent. The end of the match gives Manchester five and Rapid Three.

Heard, Brooks, and Tilson finding the--

--net. So British is again best.
