(1). Picture.:- How Canadian crowds at Ottawa--

--responded to the King's Jubilee Celebrations. Starting with Lord Bessborough's--

--speech. NATURAL SOUND.

(2). Picture.:- Reno, the Mecca of American--

--River is fast, but the divorcing--

--is faster. There's the--

--swopping house, and Barbara Hutton is now one of--

--the swoppers. Prince Alexis has retired in favour--

--of Count Hougwitz. But maybe it's third time lucky for Barbara. We'll wait and see.

(3). Picture.:- Britain breaks another record. A blizzard--

--causes postponement of the Golf Tournament at Southport. If the--

--players' thoughts could be read by that bobby, it's a--
