CHELLENHAM GETS A

BATHS

NEW SWIMMING POOL OPENED.

Picture.:-

Cheltenham opens its new Baths. Nice, clean--
--new Baths. Mr. Mayor declares them open--
--to the public, and Mrs. Mayor (Otherwise Mrs. E. L. Ward)
operates--
--a switch, which sets the Baths' cascade aerator in
motion.

(EFFECTS).

The diving exhibitions are by the Henleaze Swimming
Club members. There's no-one left to push the last one
off !

And the inevitable, but ever popular, parade of
beautiful forms in beach fashions. These are said to be
the newest, but from where I'm sitting, some look--

--to be just like last year's, only somewhat shrunk.

That's not a complaint, but you know how utterly
impossible shoulder straps can be my dear.
