Foreshadowing sporting events is the arrival of the 'All-Blacks' from New Zealand at Tilbury.

Fellowers of ruggar will welcome their advent, remembering some of the thrilling games they gave us during their previous visit. J.E. Manchester the 'All-Blacks' captain says he's glad to be here again. The team has one dark-skinned Maori player, S.Reid. 'S' stands for Sanatorium, - his real honest to goodness christian name. Sanatorium! Someone ought to be awarded a penalty kick for that.
