WEDDING IN

LONDON.

KNIGHTSBRIDGE CEREMONY.

---

Picture.:-

At St. Paul's Church, Knightsbridge, another bride, in the charming person of Miss Gonda van Raalte, niece of Lord Howard de Walden, attracts lots of attention. The bridegroom is Dr. Eric Sanderson Morrison, for which name Miss van Raalte has now exchanged her own, and acquired a husband for said exchange. Lord Howard gave the bride away, and confetti gives them both away. One of the happy couple's ushers was Major Humphrey Butler, the Duke of Kent's equerry. Once again mere-man like, I almost forgot the most important thing. The bride's gown was of ivory and silver eloque, with pearl and silver headdress.
