The Vienna Arts Ball ! The halls
are fantastically decorated by Vienna's
most famous painters. All the arts are represented,
especially the highly
cultivated modern woman's art of being beautiful.

How's that, umpire ? Oh, not
out ! With this ball, there's always a risk
of being caught
in the slips. There's one wicket
down ! Dancing doesn't end till
eight a.m. Of course there's interlude for
refreshment,
and young dancers do get hungry !
