

You know how it is --- sometimes you just can't shake off that tired feeling; ~~_____~~ Well --- it's the same thing at the London Zoo; and when the sealions get it --- they give them a dose of halibut oil --- and that puts the "oo" in Zoo. ~~_____~~

Now the penguins. They are great favourites with everybody -- but nobody could say they are full of zip and zing. [^] And nobody's going to. Penguins don't want zip and zing. They just want to be dignified. If you put anything in their fish, ~~you can keep~~ ^{ooh!}

~~etc~~ For the chimps --- a little drop of halibut oil on a lump of sugar is a wonderful pick-me-up. This dear little fellow knows what's good for him. ~~_____~~

And they know what's good for the keeper, too. [^] Castor oil. ~~_____~~
