In the Cathedral at Boma, Lotte Adenauer, schoolteacher daughter of the Chancollor of the Federal Covernment of Westorn cermany, was masried to Herr Multhoupt, n architect. The bride recelved the customary concratulations from ber father, fiter the ceremony which was porformed by her brother
STRONG GIIII.
Twelvomeg -old April Atkins intraining at Santa Monica is said to be the strangest girl of her age in all the world。 Even if she isn it, Itill be a job to find anyone to give ber an argument. To carry off three mon and a woman you'vo got to use plenty of strength. It's sad to think that when she grows up Miss atkinsill find out -- to carry off a husband you don't use your wasezasxx arms FASHII ONS TOR TAZ CILLS. CUE I2 START טP ON 1 .

There used to be a song that said: Why do short mon Ilke tall girls? and nobody ever found the answer. On top of that it's a wellknown fact that for years the fashion designers, have ignored the lasses With the long limbs. But now -- to show there's a chango of heact -the giraffes in the New York Circus had a visit from four top models -In clothes spocialiy built for lofty ladies so now at last there's hope -- for the kind of Eirl the Laughing Cavalior could have kissed -1thout cetting off his horse FISHING TOURNSIENT。

Off the holiday islands of the Bahmas, the little ships are out for an international fishing meeting. The fish theyire aiter are the White Mariln ..- and when you've got one on the ond of your ine it's then the battlo beginso. $/ / / /$

Itis really a tag-oi-war between a man and a fish; whichever wins is entitled to eat the other. FISH STORY.

CUEL6 STMRT IS
In the Ifttie village of Camogil in Italy's Gulf of Genoa, they held a fish fair in honour of St Fortunato. The ontire day's catch was fried in pans five gards across -- ton thousand pounds of fish, fried in two thousand gallons of oll. The smoll was so powefful it attractod customers from the other sido of the Bay of Naples and Vesuvius said "pardon med" and erupted.
