

Venezuela celebrated the second year of its great building programme, with the opening of the new Polyclinic Hospital of eleven hundred rooms --- by President Jimináz. Money for all this progress comes from the Government's revenue from oil..... and it ~~also~~ <sup>brings</sup> ~~brings~~ into the scheme, underground roads, to accommodate all the traffic ~~that~~ that ~~you~~ also

*get from it comes into being as a result of - or it*

WINDSOR WEDDING.

Special permission from the Archbishop of Canterbury is ~~required~~ required, when a young couple want to be married in St George's ~~Chapel~~ Chapel --- the chapel of Windsor Castle. It was granted, for the wedding of Mr Clavil Ress and Miss Anne Hakewill-Smith; for the bride lived with her parents, in the castle's Mary Tudor Tower.

CUTTY SARK.

*The Cutty Sark -*

Here ~~she~~ is <sup>A</sup> getting ready for her last voyage; and, taking the wheel for the last time, is Captain Irving --- who first sailed in her as apprentice, as long ago as 1885. Yes --- she's one of the loveliest as well as the most famous --- of all the old sailing ships; ~~the Cutty Sark~~. Launched in 1869 to carry tea and wool across the Seven Sea. She has been handed over to the Cutty Sark Preservation Society --- and is now on her way to her last berth and honourable retirement --- in dry dock at Greenwich.
