

~~On a beautiful day in London,~~ Her Majesty the Queen
 came ~~with members of her family~~ to the ceremony of the unveiling
 of the National Memorial Statue of King George VI. ^

In Carlton Gardens --- ~~overlooking the broad avenue of the~~
~~Mall which is the scene of royal processions of Kings and~~
~~Queens~~ --- stands ~~the bronze likeness which is~~ the visible evidence
 of the affection in which King George was held. ^ And a Sovereign
 who is remembered for kindness ~~and courage,~~ and courage,
 received from his daughter this tribute to his example during
 the years of ~~the~~ war. /
