DUKE IN SYDNEY.

*a reception was notable for a faked crasher on four legs*  
During his stay in Australia, the Duke of Edinburgh went to <sup>8/13</sup> Sydney to attend a state luncheon...and the reception was notable *when*  
~~for a catcrasher on four legs~~

On the next day, the Duke paid a visit to a Boys' Club....where the boys went flat out in their workout --- with the chance of a few words of encouragement from the Duke, at the end of it. <sup>9/7</sup>
